TO: Executive for Administration and Management      DATE: 19 March 1948  
FROM: Assistant Director for Operations  
SUBJECT: Credit References for Personnel in FBIB Field Installations

1. Reference is made to paragraph 31 b, page 19 of Security Regulations, Central Intelligence Agency which refers to credit references for employees of this Agency.

2. In view of the fact that the Foreign Broadcast Information Branch field installations do not publicize the fact that they are a part of CIA, it is requested that this office be furnished information as to the proper credit references to be used by employees in FBIB field stations.

3. It is suggested that the employees of these field installations be permitted to furnish the name of their respective Bureau Chiefs as the above mentioned credit reference, with the provision that no information as to the nature of the employee's work be given and that CIA not be mentioned in any such reference.
